

First Lord's Table Meeting in Lille, France January 25, 2026

We thank and praise the Lord that on January 25 the first Lord's table meeting took place in Lille! We rejoice that there is a new lampstand in France! Saints from fifteen countries and seven cities in France came together for this time. The many testimonies confirmed the sense that this was truly the Lord's timing. Saints who have been living in Lille have waited 20 years for the Lord to establish His lampstand. How we worship Him for His wonderful ways!

On Saturday, the 24th, we came together for two messages on the "Preparation of the Bride." Praise the Lord that we are in the church preparing for our dear Bridegroom's coming. 215 saints came to this time on Saturday with an additional 150 joining on Zoom.

The atmosphere on Lord's Day was full of anticipation, and the Spirit was moving among all the saints. The brothers came together and broke the bread after the first hymn with much praying and praising! The table meeting was followed by a time for all those in Lille to testify what the Lord had been doing in them and how He brought them to the church. The in-person attendance for this Lord's Day meeting was 237 saints and 17 children, and 129 joined on Zoom.

We ended the time with this verse: Phil. 2:2 Make my joy full, that you think the same thing, having the same love, joined in soul, thinking the one thing...
The joy among all the saints was FULL!
